Legal basis: under s12(8) of the Superannuation Guarantee (Administration) Act 1992, a person paid to perform music is an employee of the person liable to make the payment for super guarantee purposes, even when invoicing as a sole trader with an ABN. From 1 July 2026, super guarantee contributions must be received by the employee's fund within 7 business days of payday (Treasury Laws Amendment (Payday Superannuation) Act 2025). This record was generated by Gigsorted from details the muso supplied and consented to; it is a record of engagement and payment, not tax or legal advice.
